[My First Seasons: Let's Learn About the Year!](#) Feb 22 2022 This busy board book with tabs gets little ones thinking, talking, and learning new words about the seasons! Let's enjoy the different seasons and find out what makes each one special. What's the best thing about summer? What do farmers harvest in the fall? From finding out which baby animals are born in spring to experiencing all the outdoor fun of a winter wonderland, babies and toddlers will love learning all about the things you can see and do in each season. Each section of this engaging and educational book is dedicated to different types of weather, wildlife, and activities that can occur throughout the year, such as spring flowers, camping in the summertime, and autumn weather. Bright, colorful photographs illustrate each word, with easy to read labels so your little one can sound out the words with you. The interactive book encourages children to imagine a summer holiday, choose their favorite things, or count the different winter animals on the page. This delivers a rounded early learning reading experience, and helps your little one develop early speaking, listening, and observation skills. The book has strong board pages made especially for young children. The chunky tabs along the top and side are easy to grab to help with early motor control. Preschoolers will quickly recognize the picture on the tab which will take them straight to the page with their favorite season.

New Let's Learn English Sep 19 2021 New Let's Learn English takes a communicative and topic-based approach to language learning over six levels. It combines a clear 3-step methodology with clear language focus and motivating activities that get students using English confidently. Let's Learn about Healthy Eating Jul 18 2021 Includes CD-Rom There is a growing awareness that healthy eating plays a crucial role in the development of young people. 'Healthy Schools' and popular television programmes have raised the interest in this subject. Margaret draws on her practical experience to produce a book that will engage children in activities and provides teachers with the resources necessary to stimulate interest. There are nine themes including breakfast, dinner and parties and celebration. Each theme has a Circle Time start, a draw and talk or draw and write activity followed by activities which include 'Let's Grow It' and 'Let's Make It'. The involvement of families is encouraged in order to engage school and home in cooperation on the subject of food and health. Margaret Collins is a former headteacher of infant and first schools. She is now Senior Visiting Fellow in the School of Education at the University of Southampton. She researches children's perceptions of health education topics, writes teaching materials for children, books and articles on PSHE.

Let's Learn About Adoption Jan 12 2021 There are many kinds of adoption -- and in this workbook the children of *The Adoption Club* find out about all of them! The children of *The Adoption Club* are all different. There's Mary who was adopted from China by her single mum, Alice, who is still in touch with her birth parents in an 'open adoption'; siblings Angela and Michael who lived in different homes for many years but are now back together; Robert who loves to do stunts in his wheelchair; and Alexander who grew up with lots of children in a care home. Written for counsellors and therapists working with children aged 5-11, as well as adoptive parents, this workbook is one of a set of five interactive therapeutic workbooks written to address the key emotional and psychological challenges they are likely to experience. They provide an approachable, interactive and playful way to help children to learn about themselves and have fun at the same time.
