Pieces Of You Dec 31 2019 They could've been perfect. In another time. Another world. Where his wasn't falling apart. And hers wasn't already in pieces. - High school senior Holden Eastwood only has one fear in life: growing up. He spends his days unmotivated, moving from one game to the next, searching for his next challenge. He never expected that challenge to come in the form of a girl... A girl with zero fashion sense, a filthy mouth, and a bullsh*t attitude. Unlike Holden, Jameson Taylor had no choice but to grow up. Neglected, isolated, and forced to raise herself, Jameson only has one goal in life: graduate and move on. The last thing she needs is some guy she can't stand suddenly declaring her as his new hobby. Their lives couldn't be more opposite. Their pasts a complete paradox. But in each other, they find the unexpected... They find solace. Fragments of forever... A forever that might tear them to pieces. *Life in Pieces* Feb 22 2022 *The Sunday Times bestseller* *Updated edition including new bonus chapters from Dawn* 'Funny, intimate and honest' Louis Theroux 'Moving and funny. I absolutely loved it' Claudia Winkleman 'Heartbreaking, hilarious, comforting' Marie Claire

The Agathas Jun 24 2019 'Part Agatha Christie, part Veronica Mars, and completely entertaining.' Karen M. McManus, author of *One Of Us Is Lying* The most popular girl in school is dead. And everyone's blaming the wrong guy. After falling from grace last summer, Agatha Christie-obsessed Alice Ogilvie needs to stay out of trouble. While smart and reclusive Iris Adams just wants to get the hell out of Castle Cove. But now they have a murder to solve. There are clues the police are ignoring, a list of suspects a mile long and some very dangerous cliffs. Amateur detectives Alice and Iris are about to uncover just how many secrets their sleepy seaside town is hiding...

How It Feels to Float Sep 19 2021 A Kirkus Reviews Best Book of the Year A Chicago Public Library Best of the Best of the Year "Profoundly moving . . . Will take your breath away." -- Kathleen Glasgow, author of *Girl in Pieces* A stunningly gorgeous and deeply hopeful portrayal of living with mental illness and grief, from an exceptional new voice. Biz knows how to float. She has her people, her posse, her mom and the twins. She has Grace. And she has her dad, who tells her about the little kid she was, and who shouldn't be here but is. So Biz doesn't tell anyone anything. Not about her dark, runaway thoughts, not about kissing Grace or noticing Jasper, the new boy. And she doesn't tell anyone about her dad. Because her dad died when she was seven. And Biz knows how to float, right there on the surface--normal okay regular fine. But after what happens on the beach--first in the ocean, and then in the sand--the tethers that hold Biz steady come undone. Dad disappears and, with him, all comfort. It might be easier, better, sweeter to float all the way away? Or maybe stay a little longer, find her father, bring him back to her. Or maybe--maybe maybe maybe--there's a third way Biz just can't see yet. Debut author Helena Fox tells a story about love and grief, about inter-generational mental illness, and how living with it is both a bridge to someone loved and lost and, also, a chasm. She explores the hard and beautiful places loss can take us, and honors those who hold us tightly when the current wants to tug us out to sea. "Give this to all your...friends immediately." --Cosmopolitan.com "I haven't been so dazzled by a YA in ages." --Jandy Nelson, author of *I'll Give You the Sun* (via SLJ) "Mesmerizing and timely." --Bustle "Nothing short of exquisite." --PopSugar "Immensely satisfying" --Girls' Life * "Lyrical and profoundly affecting." --Kirkus (starred review) * "Masterful...Just beautiful." --Booklist (starred review) * "Intimate...Unexpected." --PW (starred review) * "Fox writes with superb understanding and tenderness." --BCCB (starred review) * "Frank [and] beautifully crafted."--BookPage (starred review) "This book will explode you into atoms." --Margo Lanagan, author of *Tender Morsels* "Helena Fox's novel delivers. Read it." --Cath Crowley, author of *Words in Deep Blue* "This is not a book; it is a work of art." --Kerry Kletter, author of *The First Time She Drowned* "Perfect...Readers will be deeply moved." --Books+Publishing

In Ruins May 28 2022 She wanted to start again. To be someone--anyone--different . . . Freedom. When Carleigh Stanger thought of college, that was the word that came to mind. Freedom from her unhappy home life. Freedom from high school mistakes. Freedom from the memory of that terrible morning. Only instead of bringing a sweet escape, Carleigh's first campus party traps her in the scornful gaze of the last person she wants to see, Tucker Green. It wasn't long ago that being close to Carleigh was everything Tucker wanted. But that was before he realized she was just another scheming girl who'd do whatever it took to get her way. Even lie to the guy she claimed to love. Unfortunately while Tucker's brain remembers the pain Carleigh caused, his body only remembers the pleasure . . .

Death in Pieces Oct 21 2021 He sends you the clues... and leaves his victims in pieces. When forensic psychologist Harriet Quinn receives the random pieces of a jigsaw puzzle, she knows they hold the key to identifying a sadistic killer's next victim. A victim who hasn't yet been taken. Racing to identify the intended target, she realizes that she has been chosen as Puzzle Master in a deadly game concocted by a twisted serial killer. Teaming up with DI Drew Haskell, she must put personal differences aside if she is to save a life. The second book in the Harriet Quinn series is a page-turning, explosive crime fiction thriller that you won't want to put down. In Pieces Jan 24 2022 A collection of surrealist and silent short stories, inspired by everyday life and human relationships.

In Pieces Jun 16 2021 Certain things ruin a girl's reputation, and madness is one. BOSTON, 1793-Beautiful and artistic, the only daughter of a prominent merchant, Molly Chase cannot help but attract the notice of Federalist Boston-especially its men. But she carries a painful secret: her father committed suicide and she found his body. Now nightmares plague her day and night, addling her mind and rendering her senseless. Molly needs a home, a nurse, and time to grieve and to find new purpose in life. But when she moves in with her friends, the Robbs, spiteful society gossips assume the worst. And when an imprudent decision leads to public scandal, Molly is tempted to take the easy way out: a marriage of convenience. Merchant sailor Josiah Robb is as familiar to Molly as a brother-as dear and as exasperating. Yet she is no sister to him. He hopes to marry her before anyone else does, but sailing the high seas leaves no time for convincing Molly that he is more than her teasing childhood friend. Josiah wants a new job and a fresh start, and when he agrees to carry a confidential letter to President Washington, his life is forever changed. In the wake of tragedy, these longtime friends discover a new intimacy. But slander, confusion, absence, and a wealthy, conniving bully stand between them. And with French spies on the loose, they not only have to rescue their reputations-they have to protect their lives.

Small Pieces Oct 09 2020 SHORTLISTED FOR THE JQ WINGATE, 2017 My mother, my family and Judaism are nested inside each other. I am Jewish and always Jewish; it's analogous with family, however hard it is, and however strained, it can never be disavowed... I remain, as my therapist put it, 'enmeshed', all tangled up in the family hoard. This book has been both a continuation of my conversations with them, and an attempt to untangle myself. This is Joanne's account of coming to terms with her brother's suicide and through that process, the entirety of her family life. In *Small Pieces* Joanne explores her childhood, her Jewishness and her mother's death as well as that of her brother. The life and family Joanne describes is a complex combination of conflicting influences - both scientific and literary; Jewish and humanist impulses; and middle America and North London settings. *Small Pieces* is a beautiful and searingly honest meditation on family and faith.

In Pieces Aug 31 2022 Three years ago she was left in pieces . . . Most college freshmen love the newfound freedom of living on campus, but none of them craves it like Beth Caplan. One ill-fated night when she was fifteen left her locked in a posh prison of private tutors. It's for the best, everyone said, and maybe it was. But after years of hard work and healing, the one person who never thought of her as broken could be the one to break her all over again. And Beth can't seem to stay away now any more than she could all those years ago. As soon as David March learned his best friend's little sister was enrolling at his school, he promised to look after her, and promised himself he'd keep a safe distance. But the sweet little girl he'd grown up with has transformed into a gorgeous young woman, and she's attracting attention from people she shouldn't-like the ex who nearly destroyed her and a strange new student with a disturbing habit of showing up wherever Beth goes. But for David, the most troubling discovery is realizing that he doesn't just want Beth to be safe. He wants her to be his.

My Body in Pieces Feb 10 2021 A deeply emotional graphic memoir of a young woman's struggles with self-esteem and body image issues. All Marie-Noëlle wants is to be thin and beautiful. She wishes that her thighs were slimmer, that her stomach lay flatter. Maybe then her parents wouldn't make fun of her eating habits at family dinners, the girls at school wouldn't call her ugly, and the boy she likes would ask her out. This all-too-relatable memoir follows Marie-Noëlle from childhood to her twenties, as she navigates what it means to be born into a body that doesn't fall within society's beauty standards. When, as a young teen, Marie-Noëlle begins a fitness regime in an effort to change her body, her obsession with her weight and size only grows and she begins having suicidal thoughts. Fortunately for Marie-Noëlle, a friend points her in the direction of therapy, and slowly, she begins to realize that she doesn't need the approval of others to feel whole. Marie-Noëlle Hébert's debut graphic memoir is visually stunning and drawn entirely in graphite pencil, depicting a deeply personal and emotional journey that encourages us all to embrace the bodies we are born into.

Gabi, a Girl in Pieces Jul 18 2021 Named to Kirkus Reviews Best Books of 2014 Named to School Library Journal Best Books of 2014 Gabi Hernandez chronicles her last year in high school in her diary: college applications, Cindy's pregnancy, Sebastian's coming out, the cute boys, her father's meth habit, and the food she craves. And best of all, the poetry that helps forge her identity. July 24 My mother named me Gabriella, after my grandmother who, coincidentally, didn't want to meet me when I was born because my mother was unmarried, and therefore living in sin. My mom has told me the story many, many, MANY, times of how, when she confessed to my grandmother that she was pregnant with me, her mother beat her. BEAT HER! She was twenty-five. That story is the basis of my sexual education and has reiterated why it's important to wait until you're married to give it up. So now, every time I go out with a

guy, my mom says, "Ojos abiertos, piernas cerradas." Eyes open, legs closed. That's as far as the birds and the bees talk has gone. And I don't mind it. I don't necessarily agree with that whole wait until you're married crap, though. I mean, this is America and the 21st century; not Mexico one hundred years ago. But, of course, I can't tell my mom that because she will think I'm bad. Or worse: trying to be White. Isabel Quintero is an award-winning writer from the Inland Empire of Southern California. She is also the daughter of Mexican immigrants. In addition to *Gabi, A Girl in Pieces*, she has also written a chapter book series for young readers, *Ugly Cat and Pablo* (Scholastic, Inc.), a non-fiction YA graphic biography, *Photographic: The Life of Graciela Iturbide* (Getty Publications, 2018), which received the Boston Globe Horn Book Award, and most recently, a picture book, *My Papi Has a Motorcycle* (Kokila, 2019). Isabel also writes poetry and essays. Her work can be found in *The Normal School*, *Huizache*, *The Acentos Review*, *As/Us Journal*, *The James Franco Review*, and other publications.

The World in Pieces Jul 26 2019 Spanning several generations and four continents, blending Freudian secrets and contemporary international politics, while tracing the rich and tortuous journey of a particular family, *Midwood* has opened a door upon both the brightest and darkest aspects of social intercourse and on the reverberations that flow from the actions of particular members of one generation on to the innocent members of the next.

You'd Be Home Now May 16 2021 'Kathleen Glasgow expands our hearts and invites in a little more humanity.' Val Emmich, author of *Dear Evan Hansen* 'An unflinching tale of addiction.' Amy Beashel, author of *The Sky Is Mine* 'Raw, honest and overflowing with feelings.' Erin Hahn, author of *You'd Be Mine* From the New York Times bestselling author of *Girl in Pieces* and *How to Make Friends with the Dark* comes a breathtaking contemporary YA about addiction, family and finding your voice. The quiet one, the obedient one, the reliable one. Emmy has spent her life being told exactly who she is. Not strong-willed like her beautiful sister Maddie and not in rehab like her wild brother Joey. But when a tragic accident changes life in her small town forever, can Emmy keep up the act?

In Pieces Oct 01 2022 In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time -- about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From *Gidget's* sweet-faced "girl next door" to the dazzling complexity of *Sybil* to the Academy Award-worthy ferocity and depth of *Norma Rae* and *Mary Todd Lincoln*, Field has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind-the-scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships--including her complicated love for her own mother. Powerful and unforgettable, *In Pieces* is an inspiring and important account of life as a woman in the second half of the twentieth century.

In Ruins Apr 14 2021 He was my best friend before he was my enemy. I'm a nobody at Black Falls High. When the school's mean queen forces me to my knees in front of the student body, everything changes. Now, I'm back on my former best friend's radar. And this time, he has his new crew and "no" isn't part of their vocabulary. When a night out puts me in a compromising position, I'm at their mercy. If they don't keep my secret, it could destroy more than my friendship. They own me. And my former best friend is making it his mission to ruin me. But not if I ruin them first. *In Ruins* is a #whychoose romance with four hot-as-fire guys. Due to dark content, this book is recommended for eighteen and older.

Girl in Pieces Nov 02 2022 Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. "Girl, Interrupted meets Speak."—Refinery29 "A dark yet powerful read."—Paste Magazine "One of the most affecting novels we have read."—Goop "Breathtaking and beautifully written."—Bustle "Intimate and gritty."—The Irish Times And don't miss Kathleen Glasgow's newest novel *How to Make Friends with the Dark*, which Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls "rare and powerful."

A Life in Pieces Aug 26 2019 In 1989 a woman named Karen showed up at author and psychiatrist Richard Baer's practice, terribly frightened and at breaking point. She explained that her husband beat her, her mother stole from her; she was in tremendous physical pain and wanted to die. Within a few sessions she also revealed that her father and grandfather had raped and tortured her repeatedly over the course of her childhood, frequently in the company of other neighbourhood men. She was now married with two children, but often could not account for stretches of minutes, hours, sometimes even days. As Karen's story unfolded over the following months, Baer realised that he was dealing with a severe case of Multiple Personality Disorder. Although it would take time and deep, hard-won trust before any of Karen's alternate personalities presented themselves in her psychiatrist's office, over the next five years Baer would encounter seventeen distinct personalities, all of whom had been living inside Karen since she was a young child, shielding her from an otherwise unbearable life. In the tradition of Oliver Saks and Irvin Yalom, Baer chronicles his nine years of work with Karen and all her distinct personalities, his often futile efforts to use the tools of his trade, and his patient's ultimate invention of her own cure. An unforgettable story of unimaginable suffering and ultimate recovery, *A Life In Pieces: How One Woman's Personality was Shattered by Years of Abuse* is the

first full account of life with Multiple Personality Disorder written by the treating psychiatrist.

How to Make Friends with the Dark Aug 07 2020 From the New York Times bestselling author of *Girl in Pieces* comes a novel about love and loss and learning how to continue when it feels like you're surrounded by darkness that Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls "rare and powerful." Here is what happens when your mother dies. It's the brightest day of summer and it's dark outside. It's dark in your house, dark in your room, and dark in your heart. You feel like the darkness is going to split you apart. That's how it feels for Tiger. It's always been Tiger and her mother against the world. Then, on a day like any other, Tiger's mother dies. And now it's Tiger, alone. Here is how you learn to make friends with the dark. "Stunning and beautifully written."--HelloGiggles "A rare and powerful novel, *How to Make Friends with the Dark* dives deep into the heart of grief and healing with honesty, empathy, and grace." --Karen M. McManus, New York Times bestselling author of *One of Us Is Lying* and *Two Can Keep a Secret* "Breathtaking and heartbreaking, and I loved it with all my heart." --Jennifer Niven, New York Times bestselling author of *All the Bright Places* and *Holding Up the Universe* Praise for Kathleen Glasgow's *Girl in Pieces* "Girl, Interrupted meets *Speak*." --Refinery29.com "One of the most affecting novels we have read." --Goop.com "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page." --Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star*

All in Pieces Jun 28 2022 "A girl struggles to take care of her younger brother with special needs while confronting her own anger issues"--

The Pieces Mar 02 2020 Keisha A year ago, I had it all; the perfect children, a thriving career, and a loving husband. My life couldn't have gotten any better, but then, out of nowhere, my perfect little world came tumbling down. My husband left me for my cousin. My son was on the verge of being kicked out of school. My job... Let's just say a breakroom misunderstanding forced me to dish out thousands of dollars in anger management classes that I didn't need. I was on the verge of a mental breakdown when he came into my life and changed it all around. Kyler Life for me was no walk in the park. I broke free from my nut job parents, followed my dreams, and overcame my very awkward teenage years. I left a string of broken hearts over the last eight years, and I planned on breaking more in the future. Well, that was the plan until I saw her again for the first time in ten years. She was my childhood crush and the only woman that stole the breath right out of me with a single look. Her face had gotten me through some traumatic events in life. Now here she was suffering at the hands of the man that nearly stole my life. I had to help. It was only right. I just prayed that I didn't get my heart ripped out in the process.

Pieces Jul 30 2022 When her mother, Anna, abandons her to move abroad with her new husband, Sasha is passed around her three grandparents in Cold War-era Moscow, attending first grade with a Lenin star pinned to her breast. Five years later, Anna and her husband reappear and whisk Sasha off to a "better life" in Athens, Greece. But they are not the gallant rescuers they first appear to be, and Sasha soon finds herself caught between a violent stepfather and a psychologically abusive mother. In her struggle to survive in her new world, Sasha turns to a world of invisible friends—even as she continues to long for something real. At turns haunting and uplifting, *Pieces* is the story of one girl's survival and self-discovery—and her continual search for love in a world where she has been given none.

The Orchardist Apr 02 2020 'A haunting and epic debut with shades of Steinbeck' [GRAZIA] about a makeshift family in the untamed American West. Includes Reading Group Notes. At the turn of the 20th century, in a remote stretch of Northwest America, a solitary orchardist, Talmadge, tends to apples and apricots as if they were his children. One day, two teenage girls steal his fruit at the market. Feral, scared and very pregnant, they follow Talmadge to his land and form an unlikely attachment to his gentle way of life. But their fragile peace is shattered when armed men arrive in the orchard. In the tragedy that unfolds, Talmadge must fight to save the lives of those he has learned to love while confronting the ghosts of his own troubled past. *THE ORCHARDIST* is an astonishing and unforgettable epic about a man who disrupts the lonely harmony of his life when he opens his heart and lets the world in.

Frannie in Pieces Nov 29 2019 What does you in—brain or heart? Frannie asks herself this question when, a week before she turns fifteen, her dad dies, leaving her suddenly deprived of the only human being on planet Earth she feels understands her. Frannie struggles to make sense of a world that no longer seems safe, a world in which one moment can turn things so thoroughly for the worse. She discovers an elegant wooden box with an inscription: Frances Anne 1000. Inside, Frannie finds one thousand hand-painted and -carved puzzle pieces. She wonders if her father had a premonition of his death and finished her birthday present early. Feeling broken into pieces herself, Frannie slowly puts the puzzle together, bit by bit. But as she works, something remarkable begins to happen: She is catapulted into an ancient foreign landscape, a place suspended in time where she can discover her father as he was B.F.—before Frannie. Delia Ephron makes you laugh and makes you cry—often at the same time!

Rest in Pieces Jan 12 2021 A marvellously macabre look at how some of the world's favourite historical figures got even more interesting past their expiration dates...

Rest in Pieces Apr 26 2022 "IN THE LONG RUN, WE'RE ALL DEAD. But for some of the most influential figures in history, death marked the start of a new adventure. The famous deceased have been stolen, burned, sold, pickled, frozen, stuffed, impersonated, and even filed away in a lawyer's office. Their fingers, teeth, toes, arms, legs, skulls, hearts, lungs, and nether regions have embarked on voyages that crisscross the globe and stretch the imagination. Counterfeiters tried to steal Lincoln's corpse. Einstein's brain went on a cross-country road trip. And after Lord Horatio Nelson perished at Trafalgar, his sailors submerged him in brandy--which they drank. From Mozart to Hitler, Rest in Pieces connects the lives of the famous dead to the hilarious and horrifying adventures of their corpses, and traces the evolution of cultural attitudes toward death"--Back cover.

Very in Pieces Mar 26 2022 In this coming-of-age novel perfect for fans of Susane Colasanti and Jandy Nelson, a straight-A student in a family of free-spirited artists must face the hard truths about those she loves most. Very Sayles-Woodruff could find the value of x with her eyes closed . . . but interpreting her mother's renowned paintings or her famous grandmother's poems don't come as easily. Even her younger sister, Ramona, has the same artistic leanings as the rest of their family. Very has always been the dependable, responsible one—until her grandmother becomes terminally ill, causing all of the pieces of Very's once-structured life to come crashing down. Now she's cast aside her steady boyfriend and started an unexpected fling with Dominic, a rebellious art student with a bad reputation. Things at home have also taken a turn. Very's mother drinks all day, her father is never around, and Ramona is constantly skipping school. And that's when the sculpture appears. Out of nowhere, a bottle cap design starts climbing up the stucco walls of the Sayles-Woodruff house, mysteriously growing by the day. With her grandmother nearing death and things heating up with Dominic, Very also has to confront the fact that the person behind the sculpture is struggling more than she could have imagined.

Inexcusable Nov 09 2020 "I am a good guy. Good guys don't do bad things. Good guys understand that no means no, and so I could not have done this because I understand." Keir Sarafian knows many things about himself. He is a talented football player, a loyal friend, a devoted son and brother. Most of all, he is a good guy. And yet the love of his life thinks otherwise. Gigi says Keir has done something awful. Something unforgivable. Keir doesn't understand. He loves Gigi. He would never do anything to hurt her. So Keir carefully recounts the events leading up to that one fateful night, in order to uncover the truth. Clearly, there has been a mistake. But what has happened is, indeed, something inexcusable.

Piety in Pieces Sep 07 2020 Medieval manuscripts resisted obsolescence. Made by highly specialised craftspeople (scribes, illuminators, book binders) with labour-intensive processes using exclusive and sometimes exotic materials (parchment made from dozens or hundreds of skins, inks and paints made from prized minerals, animals and plants), books were expensive and built to last. They usually outlived their owners. Rather than discard them when they were superseded, book owners found ways to update, amend and upcycle books or book parts. These activities accelerated in the fifteenth century. Most manuscripts made before 1390 were bespoke and made for a particular client, but those made after 1390 (especially books of hours) were increasingly made for an open market, in which the producer was not in direct contact with the buyer. Increased efficiency led to more generic products, which owners were motivated to personalise. It also led to more blank parchment in the book, for example, the backs of inserted miniatures and the blank ends of textual components. Book buyers of the late fourteenth and throughout the fifteenth century still held onto the old connotations of manuscripts—that they were custom-made luxury items—even when the production had become impersonal. Owners consequently purchased books made for an open market and then personalised them, filling in the blank spaces, and even adding more components later. This would give them an affordable product, but one that still smacked of luxury and met their individual needs. They kept older books in circulation by amending them, attached items to generic books to make them more relevant and valuable, and added new prayers with escalating indulgences as the culture of salvation shifted. Rudy considers ways in which book owners adjusted the contents of their books from the simplest (add a marginal note, sew in a curtain) to the most complex (take the book apart, embellish the components with painted decoration, add more quires of parchment). By making sometimes extreme adjustments, book owners kept their books fashionable and emotionally relevant. This study explores the intersection of codicology and human desire. Rudy shows how increased modularisation of book making led to more standardisation but also to more opportunities for personalisation. She asks: What properties did parchment manuscripts have that printed books lacked? What are the interrelationships among technology, efficiency, skill loss and standardisation?

Peace in Pieces Jul 06 2020 Each square represents snapshots of life capturing time within each border. Peace in Pieces is a collection of forty-one poems that grapple with the complexity of living. Writing has been Peggy Belles's uncensored outlet throughout her life. Documented here in captivating verse are the immense challenges and indelible experiences of one woman's journey from a childhood marred by abuse, family addiction, and death into adulthood and the pursuit of a purposeful life for herself by helping others. Much like squares of a quilt, each poem in Peace in Pieces serves as a story of its own—a distinct sliver of Belles's life—but together they illustrate the humbling lessons that come with experience. Loss, shame, abuse, and regret are influences of Belles's words, but ultimately the power of vulnerability and the cyclical nature of blame and forgiveness are the prizes waiting in reflection. The poems run the gamut of some of life's most tragic themes. But through shimmering stanzas comes a sense of triumph amid challenge and the uplifting notion that inner peace is only waiting to be discovered. Ultimately, Belles's autobiography as told through her poetry is much more than it seems. Peace in Pieces captures a powerful sense of self—a deep consciousness and awareness that reveals that true inner strength is more than the mere ability to march on through adversity.

Dear Committee Members Oct 28 2019 A Best Book of the Year: NPR and Boston Globe Finally a novel that puts the "pissed" back into "epistolary." Jason Fitger is a beleaguered professor of creative writing and literature at Payne University, a small and not very distinguished liberal arts college in the midwest. His department is facing draconian cuts and squalid quarters, while one floor above them the Economics Department is getting lavishly remodeled offices. His once-promising writing career is in the doldrums, as is his romantic life, in part as the result of his unwise use of his private affairs for his novels. His star (he thinks) student can't catch a break with his brilliant (he thinks) work Accountant in a Bordello, based on Melville's Bartleby. In short, his life is a tale of woe, and the vehicle this droll and inventive novel uses to tell that tale is a series of hilarious letters of recommendation that Fitger is endlessly called upon by his students and colleagues to produce, each one of which is a small masterpiece of high dudgeon, low spirits, and passive-aggressive strategies. We recommend Dear Committee Members to you in the strongest possible terms.
