What in the World is Going On? Sep 27 2022 In the New York Times best-selling book, *What in the World Is Going On?*, Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In *What in the World Is Going On?* Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" Events

unfolding in today's world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news—and understand what in the world is going on! “A clear, compelling primer on God's heart for Israel and the dramatic Bible prophecies that will unfold in these last days. What I loved most is that David Jeremiah unashamedly examines and explains the biggest global trends of our day through the Third Lens of Scripture. And his description of Jesus' unconditional love and compassion for Jews and Muslims is alone worth the read!” —Joel C. Rosenberg, New York Times best-selling author, *The Last Jihad and Epicenter: Why the Current Rumbblings in the Middle East Will Change Your World*

Transforming the United Nations System Jan 27 2020 Global problems require global solutions. The United Nations as presently constituted, however, is incapable of addressing many global problems effectively. One nation– one vote decisionmaking in most UN agencies fails to reflect the distribution of power in the world at large, while the allocation of power in the Security Council is both unfair and anachronistic. Hence, nations are reluctant to endow the United Nations with the authority and the resources it needs. Extensive reform is essential. This analysis is rooted in the proposition that the design of decisionmaking systems greatly affects their legitimacy and effectiveness.

Joseph Schwartzberg proposes numerous systemic improvements to the UN system, largely through weighted voting formulas that balance the needs of shareholders and stakeholders in diverse agencies. It indicates ways in which the interests of regions can supplement those of nations while voices of nongovernmental organizations and ordinary citizens can also be heard. In numerous contexts, it promotes meritocracy and gender equity. The book's aim is not to create an unrealistic utopia, but rather to establish a workable world in which the force of law supplants the law of force; a world committed to justice and continuous yet sustainable development. The author argues that, given the many existential threats now confronting our planet, the time frame for decisive action is short. The task is daunting and success is not guaranteed, but in view of the urgency of our situation, we can find ways of mustering the will, imagination, and resources to do the job.

Having a Mary Heart in a Martha World Jun 24 2022 CBA BESTSELLER • More than a million copies sold! An invitation for every woman who's ever felt she isn't godly enough, isn't loving enough, isn't doing enough. "Easy to read, personal, and well-written with a message much more than surface deep. Joanna probed, challenged, and encouraged me to live day by day as Mary in a Martha world."—Carole Mayhall, author of *Come Walk with Me* and *Here I Am Again, Lord* The life of a woman today isn't all that different from the lives of Mary and Martha in the New Testament. Like Mary, you long to sit at the Lord's feet . . . but the daily demands of a busy world just won't leave you alone. Like Martha, you love Jesus and really want to serve him . . . yet you struggle with weariness, resentment, and feelings of inadequacy. Then comes Jesus, into the midst of your busy life, to extend the same invitation he issued long ago to the two sisters from Bethany. Tenderly, he invites you to choose "the better part"—a joyful life of intimacy with him that flows naturally into loving service. With her fresh approach to the familiar Bible story, Joanna Weaver shows how all of us, Marys and Marthas alike, can draw closer to our Lord: deepening our devotion, strengthening our service, and doing both with less stress and greater joy. This book includes a twelve-week Bible study for individual or group use. A Study Guide and a corresponding ten-session video series on DVD or online are available separately.

#Struggles Feb 08 2021 We all love the benefits of technology and social media, but even with the incredible upsides, many of us suspect there are unintended negative consequences that are beyond our control. We've lost perspective, even perhaps ourselves. In this relevant and life-changing new book, New York Times bestselling author and pastor of LifeChurch.tv Craig Groeschel encourages readers who are hungry

to regain control over their lives and put Christ first again. He walks them through biblical values that all Christ followers know are essential, but are even more important for the maxed out, selfie-centered world we live in. The more you compare, the less satisfied you are. The more we interact online, the more we crave face to face intimacy, but the harder it is to have. The more filtered our lives become, the harder it is to be authentic. The more information about the pain in the world we're exposed to the more difficult it is to care. It's time to refresh and rediscover our understanding for today's world the biblical principles that life with Christ brings: contentment, intimacy, authenticity, compassion, rest and more. Groeschel taps some of the most up to date studies on the effects of social media on our emotions and our friendships, and shows us through real-life illustrations how we struggle and how we can overcome our struggles with Jesus' life-changing gospel message. With helpful appendices like the 10 Commandments of Using Social Media to Strengthen Your Faith, a challenge to go on Technology Fasts, and Creating Safeguards for Your #Struggles, you'll find #Struggles to be just the guide to bring balance and real-life engagement to your everyday living.
