*The Color of Success* Jun 24 2022 *The Color of Success* tells of the astonishing transformation of Asians in the United States from the "yellow peril" to "model minorities"--peoples distinct from the white majority but lauded as well-assimilated, upwardly mobile, and exemplars of traditional family values--in the middle decades of the twentieth century. As Ellen Wu shows, liberals argued for the acceptance of these immigrant communities into the national fold, charging that the failure of America to live in accordance with its democratic ideals endangered the country's aspirations to world leadership. Weaving together myriad perspectives, Wu provides an unprecedented view of racial reform and the contradictions of national belonging in the civil rights era. She highlights the contests for power and authority within Japanese and Chinese America alongside the designs of those external to these populations, including government officials, social scientists, journalists, and others. And she demonstrates that the invention of the model minority took place in multiple arenas, such as battles over zoot suiters leaving wartime internment camps, the juvenile delinquency panic of the 1950s, Hawaii statehood, and the African American freedom movement. Together, these illuminate the impact of foreign relations on the domestic racial order and how the nation accepted Asians as legitimate citizens while continuing to perceive them as indelible outsiders. By charting the emergence of the model minority stereotype, *The Color of Success* reveals that this far-reaching, politically charged process continues to have profound implications for how Americans understand race, opportunity, and nationhood.

**Transformational Politics** Nov 24 2019 Argues that traditional political science is failing to identify and address fundamental political phenomena of our time and proposes an alternative value-based political science.

**Billie Holiday** Oct 24 2019 Certainly no singer has been more mythologized and more misunderstood than Billie Holiday, who helped to create much of the mystique herself with her autobiography, *Lady Sings the Blues*. "Now, finally, we have a definitive biography," said Booklist of Donald Clarke's *Billie Holiday*, "by a deeply compassionate, respectful, and open-minded biographer [whose] portrait embraces every facet of Holiday's paradoxical nature, from her fierceness to her vulnerability, her childlikeness to her innate elegance and amazing strength." Clarke was given unrivaled access to a treasure trove of interviews from the 1970s--interviews with those who knew Lady Day from her childhood in the streets and good-time houses of Baltimore through the early days of success in New York and into the years of fame, right up to her tragic decline and death at the age of forty-four. Clarke uses these interviews to separate fact from fiction and, in the words of the *Seattle Times*, "finally sets us straight. . . evoking her world in all its anguish, triumph, force and irony." *Newsday* called this "a thoroughly riveting account of Holiday and her milieu." The *New York Times* raved that it "may be the most

thoroughly valuable of the many books on Holiday," and Helen Oakley Dance in *JazzTimes* said, "We should probably have to wait a long time for another life of Billie Holiday to supersede Donald Clarke's achievement."

**Indeterminacy and Society** Feb 26 2020 In simple action theory, when people choose between courses of action, they know what the outcome will be. When an individual is making a choice "against nature," such as switching on a light, that assumption may hold true. But in strategic interaction outcomes, indeterminacy is pervasive and often intractable. Whether one is choosing for oneself or making a choice about a policy matter, it is usually possible only to make a guess about the outcome, one based on anticipating what other actors will do. In this book Russell Hardin asserts, in his characteristically clear and uncompromising prose, "Indeterminacy in contexts of strategic interaction . . . Is an issue that is constantly swept under the rug because it is often disruptive to pristine social theory. But the theory is fake: the indeterminacy is real." In the course of the book, Hardin thus outlines the various ways in which theorists from Hobbes to Rawls have gone wrong in denying or ignoring indeterminacy, and suggests how social theories would be enhanced--and how certain problems could be resolved effectively or successfully--if they assumed from the beginning that indeterminacy was the normal state of affairs, not the exception. Representing a bold challenge to widely held theoretical assumptions and habits of thought, *Indeterminacy and Society* will be debated across a range of fields including politics, law, philosophy, economics, and business management.

**The History of Protestantism** Jan 27 2020 This was originally published as a large 24 book set. All 24 books are published here in one volume. There is a linked table of contents to all 24 book at the beginning of the volume, as well as a fully descriptive table of contents at the beginning of each book. *The History of Protestantism* by J. A. Wylie, is an incredibly inspiring work. It pulls back the divine curtain and reveals God's hand in the affairs of His church during the Protestant Reformation. Through the centuries, the sacrifices and victories of God's faithful people have often been obscured and forgotten. Now once again, you can read the fascinating story of how truth triumphed over error, principle over falsehood, and light over darkness. While Wylie is intent on telling the story of Protestantism he in many places travel back to the middle ages and picks up the story and heads forward to the reformation of the sixteenth century. When reading Wylie is thrilled to see just that men and woman stood for truth and in doing so maid a way for truth to prevail in the end. Wylie's ability as a scholar and author are apparent in every chapter of these seas. Anyone interested in knowing about the history of the Christian Church would be truly in lighted by reading this work of Dr. Wylie on the history of Protestantism'. His disposition to use the pen as a mighty "Sword of the LORD" (Judges 7:18) is evidenced

through out this work. **Lake Success** Feb 08 2021 "Spectacular."—NPR • "Uproariously

funny."—The Boston Globe • "An artistic triumph."—San Francisco Chronicle • "A novel in which comedy and pathos are exquisitely balanced."—The Washington Post • "Shteyngart's best book."—The Seattle Times The bestselling author of *Super Sad True Love Story* returns with a biting, brilliant, emotionally resonant novel very much of our times. NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND MAUREEN CORRIGAN, NPR'S FRESH AIR AND NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • The Washington Post • O: The Oprah Magazine • Mother Jones • Glamour • Library Journal • Kirkus Reviews • Newsday • Pamela Paul, KQED • Financial Times • The Globe and Mail Narcissistic, hilariously self-deluded, and divorced from the real world as most of us know it, hedge-fund manager Barry Cohen oversees \$2.4 billion in assets. Deeply stressed by an SEC investigation and by his three-year-old son's diagnosis of autism, he flees New York on a Greyhound bus in search of a simpler, more romantic life with his old college sweetheart. Meanwhile, his super-smart wife, Seema—a driven first-generation American who craved the picture-perfect life that comes with wealth—has her own demons to face. How these two flawed characters navigate the Shteyngartian chaos of their own making is at the heart of this piercing exploration, a poignant tale of familial longing and an unsentimental ode to America. LONGLISTED FOR THE CARNEGIE MEDAL FOR EXCELLENCE IN FICTION "The fuel and oxygen of immigrant literature—movement, exile, nostalgia, cultural disorientation—are what fire the pistons of this trenchant and panoramic novel. . . . [It is] a novel so pungent, so frisky and so intent on probing the dissonances and delusions—both individual and collective—that grip this strange land getting stranger."—The New York Times Book Review "Shteyngart, perhaps more than any American writer of his generation, is a natural. He is light, stinging, insolent and melancholy. . . . The wit and the immigrant's sense of heartbreak—he was born in Russia—just seem to pour from him. The idea of riding along behind Shteyngart as he glides across America in the early age of Trump is a propitious one. He doesn't disappoint."—The New York Times

*Modern Medicine and Bacteriological Review* May 31 2020

**The Jaws Book** Apr 29 2020 After 45 years, Steven Spielberg's *Jaws* remains the definitive summer blockbuster, a cultural phenomenon with a fierce and dedicated fan base. The *Jaws Book: New Perspectives on the Classic Summer Blockbuster* is an exciting illustrated collection of new critical essays that offers the first detailed and comprehensive overview of the film's significant place in cinema history. Bringing together established and young scholars, the book includes contributions from leading international writers on popular cinema including Murray Pomerance, Peter Krämer, Sheldon Hall, Nigel Morris and Linda Ruth Williams, and covers such diverse topics as the film's release, reception and canonicity; its representation of masculinity and children; the use of landscape and the ocean; its status as a western; sequels and fan-edits; and its galvanizing impact on the horror film, action movie and contemporary Hollywood itself.

**Excuse Me, Your Life Is Waiting** Feb 20 2022 Argues that feelings, rather than positive thinking or intelligence, set the tone for people's lives, and helps listeners find peace and pleasure in life by feeling rather than thinking.

Contemporary France Aug 22 2019 At least since the French Revolution, France has the peculiar distinction of simultaneously fascinating, charming and exasperating its neighbours and foreign observers. Contemporary France provides an essential introduction for students of French politics and society, exploring contemporary developments while placing them in a deeper historical, intellectual, cultural and social context that makes for insightful analysis. Thus, chapters on France's

economic policy and welfare state, its foreign and European policies and its political movements and recent institutional developments are informed by an analysis of the country's unique political and institutional traditions, distinct forms of nationalism and citizenship, dynamic intellectual life and recent social trends. Summaries of key political, economic and social movements and events are displayed as exhibits. Ecce Homo Mar 21 2022
