This polemic work, originally published in 1920, discusses the geopolitics of race and the migrations of people, especially those of color. Stoddard was concerned about the collapse of white supremacy and colonialism due to population growth among white people, rising nationalism in colonized nations, and industrialization in China and Japan. Stoddard advocated restricting non-white migration into white nations, restricting Asian migration only to Africa and Latin America and slowly giving Middle Eastern and Asian colonies independence. A noted eugenicist, Stoddard supports a separation of the "primary races" of the world and warns against miscegenation. Includes three maps illustrating color.

The Great Gatsby Nov 09 2020 Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. *Gatsby* continues to attract popular and scholarly attention. Nick Oct 09 2020 A critically acclaimed novelist pulls Nick Carraway out of the shadows and into the spotlight in this "masterful" look into the life of the man before *Gatsby* (Richard Russo, Pulitzer Prize-winning author of *Empire Falls* and *Chances Are*). Before Nick Carraway moved to West Egg and into *Gatsby's* periphery, he was at the center of a very different story—one taking place along the trenches and deep within the tunnels of World War I. Floundering in the wake of the destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance-drama to the very beginning—to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel breathes new life into a character that many know, but few have pondered deeply. Charged with enough alcohol, heartbreak, and profound yearning to paralyze even the heartiest of golden age scribblers, Nick reveals the man behind the narrator who has captivated readers for decades.

Scott Fitzgerald's novel. Each informational text is part of a student-friendly unit, with media links, reading strategies, vocabulary, discussion, and writing activities, and out-of-the-box class activities.
