Nov 11 2020 The Gran Chaos Empire is the largest nation on the continent and the leader of the Mankind Declaration, a united front against the demons. Amidonia uses part of the text of that declaration which states, "The moving of national borders by force will be deemed inadmissible," as their shield, borrowing the might of the Empire to demand the return of their capital, Van, but Souma refuses. And so, negotiations begin with the Empire's envoy, Jeanne, the younger sister of the Empress. "We do want to enter an alliance with the Empire. A secret one." another-world administrative fantasy series!

Queenmagic, Kingmagic Feb 01 2020 In another world, somewhere in space and time, two countries - Bellogard and Chorny - are locked in perpetual war, conducted by magic. Each of the main members of the two countries' courts - king, queen, prince, bishop, knight and squire - has their own form of magic, and special ways of moving magically. A war may continue for centuries, until one side succeeds in killing the other side's king, at which point the whole world vanishes, only to reappear and have the cycle begin again. . . Pedino is a young Bellogardian who becomes the queen's squire and, as part of his training, is sent into a seedier part of the city to uncover a Chornian spy. During his adventures he meets and falls in love with a whore, Sara, who turns out to be a Chornian bishop's squire. Pedino succeeds in killing the other Chornian bishop - a remarkable achievement for a mere squire; but in the manoeuvres which follow Chorny proves to have outwitted its rival, and Pedino's whole world is threatened with extinction. There have been many stories modelled on chess games, but none so ingenious and enjoyable as Ian Watson's latest novel. And, as one would expect from Watson, the story of Bellogard and Chorny is only the beginning. When Pedino and Sara manage to escape the destruction of their universe, they find themselves in a series of even more bizarre worlds operating under still stranger

rules, as they seek to discover the purpose of their existence, and the meaning of their universe. Queenmagic, Kingmagic is Ian Watson in sparkling, exuberant form. *How a Realist Hero Rebuilt the Kingdom: Volume 2* May 06 2020 When Souma Kazuya was summoned to another world to become a hero, he didn't go on an adventure, he became the king of Elfrieden and took to governing instead.
