Sung Under the Silver Umbrella - Poems for Young Children Dec 31 2019 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Exploring Poetry with Young Children Aug 07 2020 With the increased focus on children's language in Early Years education, poetry can be a valuable tool in enhancing speaking, listening and communication. This book provides parents and practitioners with a guide on how and where to start with using poetry with children. Combined with practical suggestions on finding and using poems with children of differing ages and language ability, it also offers advice on how to encourage children to create and develop their own poems. "Exploring Poetry with Young Children" includes an anthology of a wide range of poems to use with children based on their everyday experiences, ensuring that adults can enhance the learning experience as it happens and enrich the language development of the children in their care. Divided into two parts, this book covers: the nature of poetry and why it can be such an important part of our well-being; ways of using and sharing poetry with babies and toddlers; how to share poetry with children as they become confident users of language; the rhyming aspects of verse and ways in which these can be used to develop children's phonic awareness; the importance of establishing a poetic awareness in young children. This will be an essential guide for all Early Years practitioners, students and parents who are interested in using poetry to develop the speaking, listening and communication skills of young children."

Book of Hours Jul 18 2021 A decade after the sudden and tragic loss of his father, we witness the unfolding of grief. "In the night I brush / my teeth with a razor," he tells us, in one of the collection's piercing two-line poems. Capturing the strange silence of bereavement ("Not the storm / but the calm / that slays me"), Kevin Young acknowledges, even celebrates, life's passages, his loss transformed and tempered in a sequence about the birth of his son: in "Crowning," he delivers what is surely one of the most powerful birth poems written by a man, describing "her face / full of fire, then groaning your face / out like a flower, blood-bloom, / crocused into air." Ending this book of both birth and grief, the gorgeous title sequence brings acceptance, asking "What good/are wishes if they aren't / used up?" while understanding "How to listen / to what's gone." Young's frank music speaks directly to the reader in these elemental poems, reminding us that the right words can both comfort us and enlarge our understanding of life's mysteries.

Now I Know My ZBCs Dec 11 2020 Learn your ZBCs! Discover the truth about Bellysurps! Bring a real bear to Teddy Bear Day! (Hey, it's just another normal day at school!) Yep, all the secrets of life in the classroom are hilariously revealed in this fun and honest collection of 59 school poems-written especially for and about kids in Grades K to 3. These verses all happily tumbled out of the 'rhymy' mind of renowned children's poet (and former kid and teacher) Ted Scheu, and are ready for you to enjoy right now! And Peter Lourie's 'wow' photographs are guaranteed to knock your smock off! Ted Scheu continues to be the top children's poet when it comes to capturing, in humorous rhyming verse, the true soul of the school-age child. Written in the first person, Scheu's poems express all the joys and concerns, the rhythms and the twists, the truths and the imaginings of children. In this collection, he has turned his voice to slightly younger-aged kids, (mostly K-3) as they navigate the halls of school each day. This collection is meant to be read to and by young readers-as it lights up their 'laughers'. Poem titles include, "My Mirror Really Likes Me," "Hooray for PJ Day," "My Pencil Stinks at Spelling," "Bellysurp," and of course, "Now I Know My ZBCs."

A Little Book on Form May 16 2021 An acute and deeply insightful book of essays exploring poetic form and the role of instinct and imagination within form—from former poet laureate, Pulitzer Prize and National Book Award winning author Robert Hass. Robert Hass—former poet laureate, winner of the National Book Award, and recipient of the Pulitzer Prize—illuminates the formal impulses that underlie great poetry in this sophisticated, graceful, and accessible volume of essays drawn from a series of lectures he delivered at the renowned Iowa Writers' Workshop. A Little Book on Form brilliantly synthesizes Hass's formidable gifts as both a poet and a critic and reflects his profound education in the art of poetry. Starting with the exploration of a single line as the basic gesture of a poem, and moving into an examination of the essential expressive gestures that exist inside forms, Hass goes beyond approaching form as a set of traditional rules that precede composition, and instead offers penetrating insight into the true openness and instinctiveness of formal creation. A Little Book on Form is a rousing reexamination of our longest lasting mode of literature from one of our greatest living poets.

The Collected Poems of an Anonymous Young Poet Jun 24 2019

A Little Larger Than the Entire Universe Jan 30 2020 The largest and richest English-language volume of poetry from "the greatest twentieth-century writer you have never heard of" (Los Angeles Times) Edited, Translated, and with an Introduction by Richard Zenith, the author of the magisterial biography Pessoa A Penguin Classic Writing obsessively in French, English, and Portuguese, poet Fernando Pessoa (1888-1935) left a prodigious body of work, much of it credited to three "heteronyms"—Alberto Caeiro, Ricardo Reis, and Alvaro de Campos—alter egos with startlingly different styles, points of view, and biographies. Offering a unique sampling of his most famous voices, this collection features Pessoa's major, best-known works and several stunning poems that have come to light only in this century, including his long, highly autobiographical swan song. Featuring a rich body of work that has never before been translated into English, this is the finest introduction available to the stunning breadth of Pessoa's genius.
