The Barbizon Feb 22 2022 From award-winning author Paulina Bren comes the "captivating portrait" (The Wall Street Journal) of New York's most famous residential hotel--The Barbizon--and the remarkable women who lived there. Welcome to New York's legendary hotel for women. Liberated from home and hearth by World War I, politically enfranchised and ready to work, women arrived to take their place in the dazzling new skyscrapers of Manhattan. But they did not want to stay in uncomfortable boarding houses. They wanted what men already had--exclusive residential hotels with maid service, workout rooms, and private dining. Built in 1927, at the height of the Roaring Twenties, the Barbizon Hotel was designed as a luxurious safe haven for the "Modern Woman" hoping for a career in the arts. Over time, it became the place to stay for any ambitious young woman hoping for fame and fortune. Sylvia Plath fictionalized her time there in *The Bell Jar*, and, over the years, it's almost 700 tiny rooms with matching floral curtains and bedspreads housed, among many others, Titanic survivor Molly Brown; actresses Grace Kelly, Liza Minnelli, Ali MacGraw, Jaclyn Smith; and writers Joan Didion, Gael Greene, Diane Johnson, Meg Wolitzer. *Mademoiselle* magazine boarded its summer interns there, as did Katharine Gibbs Secretarial School its students and the Ford Modeling Agency its young models. Before the hotel's residents were household names, they were young women arriving at the Barbizon with a suitcase and a dream. Not everyone who passed through the Barbizon's doors was destined for success--for some, it was a story of dashed hopes--but until 1981, when men were finally let in, the Barbizon offered its residents a room of their own and a life without family obligations. It gave women a chance to remake themselves however they pleased; it was the hotel that set them free. No place had existed like it before or has since. "Poignant and intriguing" (The New Republic), The Barbizon weaves together a tale that has, until now, never been told. It is both a vivid portrait of the lives of these young women looking for something more and a "brilliant many-layered social history of women's ambition and a rapidly changing New York through the 20th century" (The Guardian).

Platform Business Models Jan 30 2020 This book introduces platform firms as unique business models. Leveraging on the early literature on network economics and strategy frameworks, this book explores how platform business firms evolve in the modern business world. Taking a strategic perspective, this book engages the reader with core concepts, case studies, and frameworks for analyzing platform business firms. This book differentiates platform business firms from traditional pipeline firms; explores engagement with different actors, value creation, and operations of platforms; elucidates resources and capabilities of platform firms that provide them sustained competitive advantage; analyzes performance levers in

operating platform business models, including complementarities with other business models; and discusses the sustainability of platform business models, in the face of regulatory and societal challenges, among others. The book is designed as a primer for entrepreneurs setting up and operating platform business firms, senior managers in large corporations repurposing their resources to initiate network dynamics in their businesses, early career managers, and professionals engaging with myriad platform firms for their professional and personal needs. This book intends to provide a decision-maker with a portfolio of decisions to make to create, operate, sustain, and generate value out of a platform business firm. It is also useful for policy professionals to appreciate the economics and policy implications of regulating and governing platforms in a post-digital world.

Visser's Annotated European Patent Convention 2019 Edition Nov 02 2022 The book Visser's Annotated European Patent Convention is a commentary on the European Patent Convention and a bestseller in European patent law. Each year a new, updated edition of the book is published and available in paperback form. The 2019 edition of this preeminent work - the only regularly updated authoritative article-by-article commentary in English on the European Patent Convention (EPC), its implementing regulations, and associated case law - provides the complete text of the 2000 Convention annotated with commentary and expert guidance on the interpretation of each paragraph. Since its first edition in 1994 it has provided the European patent community with the necessary insights to practice successfully before the European Patent Office. The EPO recommends the Visser's Annotated European Patent Convention as the first book in its list of non-EPO/WIPO literature to be used for the preparation of the European qualifying examination. In addition to a thorough updating of developments, new material in this edition includes the following: New Rules of Procedure of the Boards of Appeal; New EPO Guidelines that enter into force on 01.11.2019; The references to Guidelines 2018 are kept for the eqe 2020 candidates.

Dark Shadows Jul 30 2022 *Dark Shadows* is a compelling portrait of Kazakhstan, a country that is little known in the West. Strategically located in the heart of Central Asia, sandwiched between Vladimir Putin's Russia, its former colonial ruler, and Xi Jinping's China, this vast oil-rich state is carving out its place in the world as it contends with its own complex past and present. Journalist Joanna Lillis paints a vibrant picture of this emerging nation through vivid reportage based on 17 years of on-the-ground coverage, and travels across the length and breadth of this enigmatic country that lies along the ancient Silk Road and at the geopolitical and cultural crossroads where East meets West. Featuring tales of murder and abduction, intrigue and betrayal, extortion and corruption, this book explores how a president, Nursultan Nazarbayev, transformed himself into a potentate and the economically-struggling state he inherited at the fall of the USSR into a swaggering 21st-century monocarcy. A colourful cast of characters brings the politics to life: from strutting oligarchs to sleeping villagers, from principled politicians to striking oilmen, from crusading journalists to courageous campaigners. This new edition features two additional chapters covering the aftermath of Nazarbayev's fall from power in 2019; the Chinese government's repressions against the Kazakhs of Xinjiang as part of its crackdown on Muslim minorities; and an Afterword reflecting on the tumultuous events of January 2022 in Almaty. Traversing dust-blown deserts and majestic mountains, taking in glitzy cities and dystopian landscapes, *Dark Shadows* conjures up Kazakhstan as a living, breathing place, full of extraordinary people living extraordinary lives.
