How to Prevent the Next Pandemic Jun 04 2020 From the author of the #1 New York Times best seller *How to Avoid a Climate Disaster: The COVID-19 pandemic isn't over, but even as governments around the world strive to put it behind us, they're also starting to talk about what happens next. How can we prevent a new pandemic from killing millions of people and devastating the global economy? Can we even hope to accomplish this? Bill Gates believes the answer is yes, and in this book he lays out clearly and convincingly what the world should have learned from COVID-19 and what all of us can do to ward off another disaster like it. Relying on the shared knowledge of the world's foremost experts and on his own experience of combating fatal diseases through the Gates Foundation, he first helps us understand the science of infectious diseases. Then he shows us how the nations of the world, working in conjunction with one another and with the private sector, can not only ward off another COVID-like catastrophe but also eliminate all respiratory diseases, including the flu. Here is a clarion call—strong, comprehensive, and of the gravest importance—from one of our greatest and most effective thinkers and activists.*

1,001 Pearls of Teachers' Wisdom Apr 26 2022 *1,001 Pearls of Teachers' Wisdom* is a fun and inspirational book packed with words of wisdom on the art of teaching. With more than three thousand entries, it includes thoughts on the art of teaching from hundreds of teachers, professors, authors, and politicians. Quotes are drawn from a wide variety of sources, from the ancient to the modern. Among the contributors are Aristotle, the Buddha, Mark Twain, Frederick Douglass, Helen Keller, Freud, Albert Einstein, Gandhi, Winston Churchill, and John Lennon. The late Frank McCourt, celebrated author of *Angela's Ashes* and a veteran educator, provides an inspiring introduction. Now in paperback, this portable treasure trove will make a perfect gift for a teaching school graduate, a favorite teacher, or anyone with a passion for learning and education.

The Teacher Diaries Mar 14 2021 What *do* teachers feel when facing William Shakespeare, tales of family feud, breathless kissing scenes—all in front of a class of teens who are keeping their heads down (and threatening to fall asleep or plot their next prank in the process)? We may never know what our own 8th or 9th grade teachers felt. But, on this count, educator Callie Feyen has done us a favor. She has written a poignant memoir—'The Teacher Diaries: Romeo & Juliet.' It begins with a kiss. Then, page by page, it reveals her generous, hopeful, and humorous heart. For teachers everywhere, this is a beautiful book to help them remember why they teach. For those of us who just love to get the juicy details of what someone in a challenging position *really* thinks, this book will satisfy (and sometimes make us laugh, or cry). ***Bonus classroom activities included.

Ugly Music Oct 28 2019 Poetry. African & African American Studies. Latinx Studies. Women's Studies. Diannely Antigua's debut collection, *UGLY MUSIC*, is a cacophonous symphony of reality, dream, trauma, and obsession. It reaches into the corners of love and loss where survival and surrender are blurred. The poems span a traumatic early childhood, a religious adolescence, and, later, a womanhood that grapples with learning how to create an identity informed by, yet in spite of, those challenges. What follows is an exquisitely vulgar voice, unafraid to draw attention to the distasteful, to speak a truth created by a collage of song and confession, diary and praise. It is an account of observation and dissociation, the danger of simultaneously being inside and outside the experiences that mold a life. *UGLY MUSIC* emerges as a story of witness, a realization that even the strangest things exist on earth and deserve to live. "Diannely Antigua's *UGLY MUSIC* is a beautiful disturbance of erotic energy. This debut counters the pull of thanatos with the effervescent allure of pure imagination, and everything is dangerously alive. Antigua's seduction is both intellectual and physical, a force strong enough to counter the emotional pains recounted here—an abandoning father, trespassed bodies, pregnancies lost, wanted, feared. At times, the speaker of these poems trespasses on her own body, as if to say a body is both precious and to be ruined, used, used up. At its deepest song, this is a theological protest and investigation by a speaker wrestling with faith and fathers, with unapologetic desire. These poems have found a way to circumvent the most precarious silences, to boast and to rue." —Catherine Barnett

See Me After Class Dec 23 2021 The Most Dog-Eared "Teacher's Edition" You'll Have in Your Classroom Teaching is tough. And teachers, like the rest of the population, aren't perfect. Yet good teaching happens, and great teachers continue to inspire and educate generations of students. *See Me After Class* helps those great teachers of the future to survive the classroom long enough to become great. Fueled by hundreds of hilarious—and sometimes shocking—tales from the teachers who lived them, Elden provides tips and strategies that deal head-on with the challenges that aren't covered in new-teacher training. Lessons can go wrong. Parents may yell at you. Sunday evenings will sometimes be accompanied by the dreaded countdown to Monday morning. As a veteran teacher, Elden offers funny, practical, and honest advice, to help teachers walk through the doors of their classrooms day after day with clarity, confidence...and sanity! "A useful, empathetic guide to weathering the first-year lumps...a frothy, satisfying Guinness for the teacher's soul." —Dan Brown, NBCT, Director of the Future Educators Association, and author of *The Great Expectations School* "See Me After Class is a must-have book for any teacher's bookshelf. On second thought, you'll probably want to keep it on your classroom desk since you'll use it so much!" —Larry Ferlazzo, teacher and author of *Helping Students Motivate Themselves* "This is the kind of no-nonsense straight talk that teachers are starved for, but too rarely get...Roxanna Elden tells it like it is, with a heavy dose of practicality, a dash of cynicism, a raft of constructive suggestions, and plenty of wry humor." —Rick Hess,

Director of Education Policy Studies at AEI, author of Education Week blog, "Rich Hess Straight Up"

The Toilet Seat Feb 22 2022 It is time to get sex out of the closet. Though sex is considered a 'dirty' word in Indian society, the indispensable role it plays in our lives cannot be denied. The Toilet Seat takes a good look at how sex is perceived and portrayed in society, the social stigma attached to sex, especially the premarital and extramarital kind, and the perversions that suppression of sex can cause. The book reflects upon the grey areas in relationships, the hypocrisy of people and the so-called values that bind people in a knot, redefines perceptions, and dispels myths with respect to love, sex and the female orgasm. It also gives valuable suggestions to improve relationships by understanding the sexual needs of partners and talking about them openly. Well, what does the title of the book *The Toilet Seat* have to do with all this? Read on to find out.

The Freedom Writers Diary (20th Anniversary Edition) Aug 31 2022 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.

She Read to Us in the Late Afternoons Nov 09 2020 This memoir takes readers around the world, from New York to Nigeria, exploring a life illuminated by novels. As a child in music class, Kathleen Hill comes upon Willa Cather's *Lucy Gayheart*, and the novel prepares her for a drowning death that soon occurs in her own life. Later, recently married and working as a teacher in a newly independent Nigeria, Hill assigns Chinua Achebe's *Things Fall Apart* to her students, which leads to learning from them about the violent legacy of colonialism, and visiting an old slave port whose disturbing relics make her aware of her beighted American innocence. Also in Nigeria, she is given Henry James's *A Portrait of a Lady* and deeply ponders her new marriage through the lens of Isabel Archer, remembering her adolescent fear that reading might be a way of avoiding experience. But is it possible that the act of reading itself may be a form of ardent, transforming experience? In this memoir, Hill reflects on her literary lifetime, reminiscing about her year in northern France, where she resolutely put Flaubert's *Madame Bovary* aside to discover, in Bernanos's *Diary of a Country Priest*, a detailed guide to the town where she was living, a more acute perspective on the poverty and suffering hidden within its walls. She also shares a tender account of her friendship with writer Diana Trilling, whose failing sight inspired a plan to read aloud Proust's *Remembrance of Things Past*, an undertaking that required six years to complete. From an author whose novel *Still Waters in Niger* was named a New York Times Notable Book and a best book of the year by the Los Angeles Times, *She Read to Us in the Late Afternoons* is both a wide-ranging autobiographical journey and a deeply felt appreciation of literature and its power to reflect our immediate reality and open windows onto vast new worlds.

The Buffalo Writers Apr 14 2021 Upon returning on scholarship to an intense teacher-training and the Freedom Writers Institute in Long Beach, California, teacher Becky Dudney led her students to embark on a heart-wrenching, conscience-building, transformational journey through reading and writing. Since her student population is considered "at-risk," a study of the hard-hitting *Freedom Writers Diary* was appropriate. The study turned into "The Freedom Writers Curriculum Pilot Project," evolving then into the creation of *The Buffalo Writers Diary*. Students learned to see the parallels in the writing of others to their own lives and recorded their thoughts and feelings in the form of reflections which have led to life-changing results. This book is also a guide for any teacher who seeks to reform his/her own approach to educating today's youth, or any population in need of guidance and inspiration. "I have problems with drugs....now I'm confused about what I want in my life. I know that I want to study, but the problems I am having now are things I need help with...I don't know who can help me right now..." "I have been through all of that same stuff before in the past; No money, no food, no place to stay. My mom did everything she could, but she could not get a job because her health was bad. Our father did not support us, and left us alone and cold with nothing." "The Buffalo Writers Diary is our non-violent protest against all forms of abuse and addiction. Upon reading our words, it is our hope that the reader will undergo a change within him/herself." --Becky Dudney, Teacher and co-author/co-editor

Teach with Your Heart Jun 28 2022 The extraordinary memoir of the #1 New York Times bestselling author of *The Freedom Writers Diary*, who's been hailed as "a true inspiration" (Hilary Swank) and "simply magical when it comes to inspiring people to action" (Los Angeles Times). Don't miss the public television documentary *Freedom Writers: Stories from the Heart* In this passionate, poignant, and deeply personal memoir and call to arms, Erin Gruwell, the dynamic teacher who nurtured an extraordinary group of high school students from Long Beach, California, who called themselves the Freedom Writers, picks up where *The Freedom Writers Diary*—and the hit movie *Freedom Writers*—left off and brings the reader up to date on where the Freedom Writers are today. Including their unforgettable trip to Auschwitz, where they met with Holocaust survivors; their tour of the attic of their beloved Anne Frank; and their visit to Bosnia with their friend Zlata Filipovi?, *Teach With Your Heart* chronicles what happened with the Freedom Writers as they made their way through college and beyond. Along the way, Gruwell includes lessons for parents and teachers about what she learned from her remarkable band of students as she traveled through the emotional peaks and valleys on the front lines of our nation's educational system. A mesmerizing story of one young woman's personal odyssey and of her unique ability to encourage others to follow in her footsteps, *Teach With Your Heart* is marked by the enviable radiance and irrepresible force of nature that are Erin Gruwell and her unbelievable determination to ensure that education in the United States truly meets the needs of every student.

Great Books for High School Kids Dec 11 2020 Teachers Rick Ayers and Amy Crawford always wanted to find a guide to the vast world of great books for teenagers—one that didn't talk down or moralize. When they couldn't find one, they set out to create it. An early prototype offered at Cody's Bookstore in Berkeley, California, was an instant success. *Great Books for High School Kids* is the culmination of their efforts. Collecting recommendations and essays from colleagues and advisers around the country, this is a rollicking, thoughtful, against-the-grain guide that challenges stodgy notions of what great books are and what kids are ready for. The book starts with seven essays by high school teachers about exciting, exemplary experiences they have had reading books with students in the classroom—from Dorothy Allison's *Bastard Out of Carolina* to Toni Morrison's *Song of Solomon* to Aeschylus's *Oresteia* trilogy. Augmented by an index of more than seventy subjects, the book also has an annotated list of hundreds of Recommended Great Books. The recommendations are playful and irreverent, ambitious and entertaining, and they go way beyond traditional reading lists. From classics to the unexpected, from literary novels to nonfiction, some drama, and even a little poetry, these are all books that teenagers have read with pleasure and can read on their own. *Great Books for High School Kids* is an invitation and a sourcebook for inspiring passionate, lifelong readers—a book that could seriously change the lives of teachers, of families, and of kids.

The Freedom Writers Diary Nov 02 2022 Percy is incredibly accident-prone, and holds the dubious record of the most accidents. Percy has had a small rivalry with Harold, however, they are always willing to help each other when in trouble.

True Notebooks Oct 09 2020 In 1997 Mark Salzman, bestselling author *Iron and Silk* and *Lying Awake*, paid a reluctant visit to a writing class at L.A.'s

Central Juvenile Hall, a lockup for violent teenage offenders, many of them charged with murder. What he found so moved and astonished him that he began to teach there regularly. In voices of indelible emotional presence, the boys write about what led them to crime and about the lives that stretch ahead of them behind bars. We see them coming to terms with their crime-ridden pasts and searching for a reason to believe in their future selves. Insightful, comic, honest and tragic, *True Notebooks* is an object lesson in the redemptive power of writing.

Reflections and Interpretations Aug 19 2021 "Reflections and Interpretations" is an anthology on The Freedom Writers' methodology. It is an anthology for all those with a professional need for texts explaining, not only how The Freedom Writers' tools are being used, but also why they work so convincingly well. It is not an anthology of guidelines; it is an anthology of explanations based on theory. And it is an anthology written by Freedom Writer Teachers – who else could do it?

The Language Police Dec 31 2019 If you're an actress or a coed just trying to do a man-size job, a yes-man who turns a deaf ear to some sob sister, an heiress aboard her yacht, or a bookworm enjoying a boy's night out, Diane Ravitch's internationally acclaimed *The Language Police* has bad news for you: Erase those words from your vocabulary! Textbook publishers and state education agencies have sought to root out racist, sexist, and elitist language in classroom and library materials. But according to Diane Ravitch, a leading historian of education, what began with the best of intentions has veered toward bizarre extremes. At a time when we celebrate and encourage diversity, young readers are fed bowdlerized texts, devoid of the references that give these works their meaning and vitality. With forceful arguments and sensible solutions for rescuing American education from the pressure groups that have made classrooms bland and uninspiring, *The Language Police* offers a powerful corrective to a cultural scandal.

Ladder to the Moon Jun 16 2021 From Maya Soetoro-Ng, sister of President Obama, comes a lyrical story relaying the loving wisdom of their late mother to a young granddaughter she never met. (Ages 4-8) Features an audio read-along performed by the author! Little Suhaila wishes she could have known her grandma, who would wrap her arms around the whole world if she could, Mama says. And one night, Suhaila gets her wish when a golden ladder appears at her window, and Grandma Annie invites the girl to come along with her on a magical journey. In a rich and deeply personal narrative, Maya Soetoro-Ng draws inspiration from her mother's love for family, her empathy for others, and her ethic of service to imagine this remarkable meeting. Evoking fantasy and folklore, the story touches on events that have affected people across the world in our time and reaffirms our common humanity. Yuyi Morales's breathtaking artwork illuminates the dreamlike tale, reminding us that loved ones lost are always with us, and that sometimes we need only look at the moon and remember.

Gigantic Book of Teacher's Wisdom Nov 21 2021 A collection of over 3,000 entries from hundreds of professors, scholars, politicians, and celebrities who offer thoughts on the art of teaching and the acquisition of knowledge.

Bronx Masquerade Jan 30 2020 When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.

What High Schools Don't Tell You (And Other Parents Don't Want You to Know) Aug 07 2020 From the author of *What Colleges Don't Tell You*, a plan to help parents of middle and early high school students prepare their kids for the best colleges In order to succeed in the fiercely competitive college admissions game, you need a game plan—and you have to start young. In this empowering guide, Elizabeth Wissner- Gross, a nationally sought-after college "packager," helps parents of seventh to tenth graders create a long-term plan that, come senior year, will allow their kids to virtually write their own ticket into their choice of schools. Parents should start by helping their kids identify their academic passions, then design a four-year strategy based on those interests. The book details hundreds of opportunities available to make kids stand out that most high school guidance counselors and teachers simply don't know about or don't think to share. This indispensable guide should be required reading for any parent whose child dreams of attending one of the country's top colleges.

Diary of a Freedom Writer Jan 24 2022 Survivor... a word continuously thought of when reading this memoir. Upon the release of *The Freedom Writers Diary* and film adaptation starring Hilary Swank in 2007, New York Times bestselling author Darius Garrett realized that both book and movie tell the Freedom Writer Story as a whole, but not on a personal level. During speaking engagements, the same questions always surface: 'Did Ms. Gruwell change you? How did you make it out of the gang life? What stopped you from killing yourself?' Darius's answers are inside. *Diary of a Freedom Writer* takes you on a journey beyond the classrooms to the treacherous streets of Long Beach, California. An innocent little boy born in poverty and raised in a violent environment, Darius became a product of the streets, written off by the school and judicial systems alike, growing up in an environment full of gangs and drugs. He spent his life searching for a father figure until he became a Freedom Writer, motivational speaker, bestselling author, and finally a father himself. His story is that of a man realizing his experiences are what made him the man he has been seeking to be all his life. Upon beating the odds, *Diary of a Freedom Writer* serves as proof that Darius's story of struggle, life, change, and hope will uplift, educate, encourage, and inspire.

Inclusion in Urban Educational Environments Sep 07 2020 This book is motivated by our experiences in working with students and their families in urban communities. We are particularly concerned about the urgent imperative to address the endemic educational and societal challenges that pervade the lives of urban students, particularly those who live in poverty, are of minority and immigrant backgrounds, and are otherwise marginalized within the current educational discourses and practices. In spite of the fact that over the last 3 decades policy makers, educators and communities across the globe have called for in depth structural changes, this is rarely evidenced in the discourses, practices, and structures within academic and practitioner spheres. This reluctance, despite articulations to the contrary, can be directly linked to normative theoretical and practical perspectives that are defined by assumptions that constrain urban students within restrictive boundaries. These narrow outsider worldviews based on notions of what ought to be, combined with ignorance of the realities of students' lives focus on deviance and deficits. They blind prospective change agents to the strengths and richness that students bring, and they delimit the transformative potential of social justice praxis within urban environments. The resulting discourse, in the form of deficit beliefs, thoughts, actions, and dialogues shapes urban research, theory, and practice. We contend that in order to counteract the debilitating impacts of these harmful constructions of urban and social justice, it is important to clarify this terminology.

Teaching Hope Jul 30 2022 Incredible stories of struggle, redemption, and the power of education from the teachers taught by Erin Gruwell and the #1 New York Times bestselling authors of *The Freedom Writers Diary* Don't miss the public television documentary *Freedom Writers: Stories from the Heart* "These are the most influential professionals most of us will ever meet. The effects of their work will last forever."—From the foreword by Anna Quindlen Now documented in a bestselling book, feature film, and public television documentary, the Freedom Writers phenomenon came about in 1994, when Erin Gruwell stepped into Room 203 and began her first teaching job out of college. Long Beach, California, was still reeling from the deadly violence that erupted during the Rodney King riots, and the kids in Erin's classroom reflected the anger, resentment, and hopelessness of their community. Undaunted, Erin fostered an educational philosophy that valued and promoted diversity, tolerance, and communication, and in the process, she transformed her students' lives, as well as her own. Erin Gruwell and the Freedom Writers went on to establish the Freedom Writers Foundation to replicate the success of Room 203 and provide all students with hope and opportunities to realize their academic potential. Since then, the foundation has trained more than 800 teachers around the world. *Teaching Hope* unites the voices of these Freedom Writer Teachers, who share uplifting, devastating, and poignant stories from their classrooms, stories that provide insight into the struggles and triumphs of education in all of its forms. Mirroring an academic year, these dispatches from the front lines of education take us from the anticipation of the first day to the disillusionment, challenges, and triumphs of the school year. These are the voices of teachers who persevere in the face of intolerance, rigid administration, and countless other challenges, and continue to reach out and teach those who are deemed unteachable. Their stories inspire everyone to make a difference in the world around them.

Zlata's Diary Sep 19 2021 The child's diary that awakened the conscience of the world When *Zlata's Diary* was first published at the height of the Bosnian conflict, it became an international bestseller and was compared to *The Diary of Anne Frank*, both for the freshness of its voice and the grimness of the world it describes. It begins as the day-to-day record of the life of a typical eleven-year-old girl, preoccupied by piano lessons and birthday parties. But as war engulfs Sarajevo, Zlata Filipovic becomes a witness to food shortages and the deaths of friends and learns to wait out bombardments in a neighbor's cellar. Yet throughout she remains courageous and observant. The result is a book that has the power to move and instruct readers a world away.

The Secret Holocaust Diaries Jul 18 2021 Nonna Bannister carried a secret almost to her Tennessee grave: the diaries she had kept as a young girl experiencing the horrors of the Holocaust. This book reveals that story. Nonna's childhood writings, revisited in her late adulthood, tell the remarkable tale of how a Russian girl from a family that had known wealth and privilege, then exposed to German labor camps, learned the value of human life and the importance of forgiveness. This story of loss, of love, and of forgiveness is one you will not forget.

The Freedom Writers Diary Teacher's Guide Oct 01 2022 A standards-based teacher's guide from the educator behind the #1 New York Times

bestseller *The Freedom Writers Diary*, with innovative teaching techniques that will engage, empower, and enlighten. Don't miss the public television documentary *Freedom Writers: Stories from the Heart* in response to thousands of letters and e-mails from teachers across the country who learned about Erin Gruwell and her amazing students in *The Freedom Writers Diary* and the hit movie *Freedom Writers*. Gruwell and a team of teacher experts have written *The Freedom Writers Diary Teacher's Guide*, a book that will encourage teachers and students to expand the walls of their classrooms and think outside the box. Here Gruwell goes in depth and shares her unconventional but highly successful educational strategies and techniques (all 150 of her students, who had been deemed "unteachable," graduated from Wilson High School in Long Beach, California): from her very successful "toast for change" (an exercise in which Gruwell exhorted her students to leave the past behind and start fresh) to writing exercises that focus on the importance of journal writing, vocabulary, and more. In an easy-to-use format with black-and-white illustrations, this teacher's guide will become the essential go-to manual for teachers who want to make a difference in their pupils' lives.

From Scratch Feb 10 2021 Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is "a captivating story of love lost and found" (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.

Letters to a Young Teacher May 04 2020 "This remarkable book is a testament to teachers who not only respect and advocate for children on a daily basis but who are the necessary guardians of the spirit. Every citizen who cares about the future of our children ought to read this."—Eric Carle, author of *The Very Hungry Caterpillar* and other classic works for children "Kozol's love for his students is as joyful and genuine as his critiques of the system are severe. He doesn't pull punches."—The Washington Post In these affectionate letters to Francesca, a first grade teacher at an inner-city school in Boston, Jonathan Kozol vividly describes his repeated visits to her classroom while, under Francesca's likably irreverent questioning, he also reveals his own most personal stories of the years that he has spent in public schools. *Letters to a Young Teacher* reignites a number of the controversial issues Jonathan has powerfully addressed in his bestselling *The Shame of the Nation* and *On Being a Teacher*: the mania of high-stakes testing that turns many classrooms into test-prep factories where spontaneity and critical intelligence are no longer valued, the invasion of our public schools by predatory private corporations, and the inequalities of urban schools that are once again almost as segregated as they were a century ago. But most of all, these letters are rich with the happiness of teaching children, the curiosity and jubilant excitement children bring into the classroom at an early age, and their ability to overcome their insecurities when they are in the hands of an adoring and hard-working teacher.

Anne Frank May 16 2021 The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience.
