executives, historians and investors.

World, Inc Oct 28 2022 Piasecki's book reminds me that the difference between a forgettable and a memorable business book is one thing: a hidden and enduring idea suddenly made tangible. In Thomas Friedman's World is Flat, we saw globalization come alive. In Freakonomics, we saw the perverse hidden results of out-of-whack incentives. In Tipping Point, we saw market hysteria laid bare. In World Inc., we see that demonstrating measurable impact of responsible corporate practices is the secret to moving corporate responsibility from mere "defensive" activities such as compliance and governance to "offensive" strategies that help companies raise capital, sell product and recruit talent. Because we can now see corporate responsibility's positive impact in the results of HP, GE, Toyota and others, and we can make money if we follow the guidance of corporate responsibility-aware ratings services such as Innovest, IRR/ISS, Calvert and S&P, corporate responsibility is suddenly tangible.

Good Profit Jun 19 2019 A NEW YORK TIMES BESTSELLER In 1961, Charles Koch joined his father's Wichita-based company, then valued at \$21 million. Six years later, following his father's death, he was named chairman of the board and CEO of Koch Industries, Inc. Today, Koch Industries' estimated worth is \$100 billion - making it one of the largest private companies in the world. Koch exceeds the S&P 500's five-decade growth by 27-fold, and plans to double its value on average every six years. What exactly does this company do and why is it so remarkably profitable? While you won't find the Koch name on your stain-resistant carpet, stretch denim jeans, the connectors in your smartphone or your baby's ultra-absorbent diapers, Charles Koch's Market-Based Management® system, intended to generate good profit, drove these innovations and many more. Good profit results from products and services that customers vote for freely with their money; products that help improve people's lives. It results from a culture where employees are empowered to act entrepreneurially to discover customer preferences and the best ways to satisfy them. Good profit is the earnings that follow when long-term value is created for everyone - customers, employees, shareholders and society. Readers will learn to: · Craft a vision for how a business can thrive in spite of disruption and ever-changing consumer values · Find and retain a workforce possessing both virtue and talent (the first being the more important) · Award employees with ownership and decision rights based on their comparative advantages and proven contributions, rather than job title · Motivate all employees to maximise their contributions with effectively structured incentives so employees' compensation is limited only by the value they create - not budgets or company-wide policy A must-read for any leader, entrepreneur or student, as well as those who want a more civil, fair and prosperous society, GOOD PROFIT is destined to rank as one of the greatest management books of all time.

Plunkett's Transportation, Supply Chain & Logistics Industry Almanac 2009 Mar 29 2020 The immense, global transportation and logistics sector is vital to businesses of all types. This carefully-researched book covers exciting trends in supply chain and logistics management, transportation, just in time delivery, warehousing, distribution, intermodal shipment systems, logistics services, purchasing and advanced technologies such as RFID. This reference tool includes thorough market analysis as well as our highly respected trends analysis. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. This book also includes statistical tables, an industry glossary and thorough indexes. The corporate profiles section of the book includes our proprietary, in-depth profiles of the 500 leading companies in all facets of the transportation and logistics industry. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in the business. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Inspired INC. Jan 27 2020 Meet the new C.E.O.s: the Consumers, Employees and Outsiders who can make or break your

company faster than ever. If you're running an Inspired Company your workday looks like this: You have a mission with many winners. You execute it with passion. You are unapologetic in your refusal to be railroaded by existing systems or corporate norms. You are committed to doing the right thing. You take direction from your customers, employees, and company "outsiders." They give you their support and trust in return. All of your profits are derived from your mission, not from penalizing your customers or other stakeholders. That's a company the world will get behind. A world as invested in your success as you are. Inspired INC. is an indispensable roadmap to getting the new C.E.O.s onside.
